## Fun Desert Journey

*Adventures and more — sandboarding, the English  
Track and a party in the dunes*

# A journey you can picture yourself inside

Four days built around movement. Two sandboarding competitions, the fossil beds and petrified mangrove roots of the English Track, a party camp in the Karaween dunes and hide-and-seek under moonlight among the White Desert formations.

The second of nine. It follows the same opening as The Three Kings but adds a full day in the Karaween dunes and a second, harder sandboarding run.

HOW YOU TRAVEL

Vehicle · Camping. Cairo return · 4 days · 4 to 20 travellers. Each of the nine journeys is a separate booking with its own start and finish; none is a stage of another.

IMPORTANT

**This is the intended route, not a fixed timetable.**

It communicates the ground covered, the pace and the level of effort. Named properties, exact camp locations, departure times, prices and meal inclusions are confirmed at booking. Weather, park authorities, soft sand and vehicle recovery can change the order or content of a day; this guide names those dependencies wherever they affect your choice.

# Every day carries the same four facts

**ROUTE**

Where the day starts, what it passes through and where it ends.

**SLEEP**

Tent or bed, and where. Camps are chosen on the day; the area is fixed, the exact spot is not.

**DISTANCE**

Kilometres where the source gives them, on foot for the walking tours, otherwise an estimate.

**MEALS**

What is included that day. Anything not listed is not included.

**RHYTHM**

A reading of how much the day asks of you, followed by the kind of ground it crosses.

 **Easy**

Road transfer, an oasis day, or a short walk. Recoverable.

 **Steady**

A full day of driving or walking, with stops. The normal shape.

 **Demanding**

Long hours, soft sand, recovery work or a hard walk. Plan around it.

**FREE TIME**

Noted where a day holds unstructured hours. Desert days rarely do; the group moves together and the camp is made together.

Three consecutive nights in tents with no lodge night. Sleeping bags, mats and blankets are provided.

Cairo transfers are by private sedan; the desert is travelled in Toyota Landcruisers.

The tone of this tour is deliberately social — a party camp, competitions and night games. It is not the quiet option.

Active November to April. Nights in the open desert are cold.

## PHYSICAL DEMAND

Minimum endurance to walk the sites, the temples and the desert hikes, and to sit long hours in a vehicle over rough ground.

4 to 20 travellers. Departures are private to the group.

## VEHICLES AND GEAR

Toyota Landcruisers, stocked with supplies, kitchen, camping and recovery gear. Tents, mats, sleeping bags and blankets are provided.
