Magical Western Desert

Bahariya as your base — the Djara Cave, the White Desert and the oasis in full

A journey you can picture yourself inside

The only journey on the list that sleeps in a bed every night. One eco-lodge in Bahariya for three nights, a long day out to the Djara Cave and the White Desert, and a full day inside the oasis itself — Pharaonic tombs, the museum, the camel camp and the lake at sunset.

The third of nine, and the softest. It reaches the same Djara Cave and White Desert as the five-day Mystical Tour without a single night under canvas.

THE NINE, BY LENGTH IN DAYS

01	02	03	04	05	06	07	08	09
3	4	4	5	7	12	12	15	20

SHORTEST

EACH IS BOOKED ON ITS OWN

DEEPEST

HOW YOU TRAVEL

Vehicle · Eco-Lodge. Cairo return · 4 days · Any group size. Each of the nine journeys is a separate booking with its own start and finish; none is a stage of another.

IMPORTANT

This is the intended route, not a fixed timetable.

It communicates the ground covered, the pace and the level of effort. Named properties, exact camp locations, departure times, prices and meal inclusions are confirmed at booking. Weather, park authorities, soft sand and vehicle recovery can change the order or content of a day; this guide names those dependencies wherever they affect your choice.

Every day carries the same four facts

ROUTE

Where the day starts, what it passes through and where it ends.

SLEEP

Tent or bed, and where. Camps are chosen on the day; the area is fixed, the exact spot is not.

DISTANCE

Kilometres where the source gives them, on foot for the walking tours, otherwise an estimate.

MEALS

What is included that day. Anything not listed is not included.

RHYTHM

A reading of how much the day asks of you, followed by the kind of ground it crosses.

 Easy

Road transfer, an oasis day, or a short walk. Recoverable.

 Steady

A full day of driving or walking, with stops. The normal shape.

 Demanding

Long hours, soft sand, recovery work or a hard walk. Plan around it.

FREE TIME

Noted where a day holds unstructured hours. Desert days rarely do; the group moves together and the camp is made together.

Where this journey asks more of you

No camping at all. Every night is in the same eco-lodge, which makes this the tour to choose for anyone who will not sleep on the ground.

Day 2 is long — out before breakfast settles and back after dark. It is the only demanding day, and it is not optional.

The White Desert is visited at sunset and dinner is taken in the desert, but the group returns to the lodge to sleep.

Active November to April. Any group size can be arranged.

SEASON

Active November to April. Outside that window the heat makes the deep desert unworkable.

PHYSICAL DEMAND

Minimum endurance to walk the sites, the temples and the desert hikes, and to sit long hours in a vehicle over rough ground.

GROUP

Any group size. Departures are private to the group.

VEHICLES AND GEAR

Toyota Landcruisers, stocked with supplies, kitchen, camping and recovery gear. Tents, mats, sleeping bags and blankets are provided.
